

## Director of the Excel Center of Fort Worth

Outstanding opportunity available: Director of the Excel Center of Fort Worth. The Excel Center is a specialized day treatment center meeting the emotional, behavioral and/or chemical dependency needs of children and adolescents ages 5 to 18. We offer partial hospitalization and intensive outpatient programs Monday through Friday. An affiliate of Millwood Hospital, the Excel Center is a less restrictive treatment environment than an inpatient facility. The Excel Center Director is responsible for the management of clinical activities, staffing, budgets, and business development. The successful candidate will have experience in mental health and/or chemical dependency treatment programs, including an understanding of regulations related to compliance with the Joint Commission on Accreditation of Healthcare Organizations and Texas Department of State Health Services. Salary commensurate with experience.

Please send cover letter and resume to Jane Phillips, Director of Outpatient Services at [jane.phillips@psysolutions.com](mailto:jane.phillips@psysolutions.com) or call 817-404-2288. At your request, inquiries will be kept confidential.
